Dear Emily Crose,

Pursuant to 6 C.F.R. Part 5 §5.3(b) of the DHS FOIA regulations, you must describe the records you are seeking with as much information as possible to ensure that our search of appropriate systems of records can find them with a reasonable amount of effort. Your FOIA request has been closed as insufficient for **the following reason:**

- Did not include a clear and detailed description of the records being requested. Please be advised that the FOIA does not require federal agencies to answer inquiries or create records in response to a FOIA request, but rather is limited to requiring agencies to provide access to reasonably described, nonexempt records. As you have failed to reasonably describe the records you are seeking, your request is not a perfected request, and we are unable to initiate a search for responsive records.

As per our June 19, 2019 correspondence to you we are closing your request as insufficient.

Please resubmit your FOIA request, along with the required information, by logging into your existing FOIAonline account or go to <https://foiaonline.gov> to create an account.

Sincerely,

U.S. Customs and Border Protection
